We Repair Your PC In Your Home Or Place Of Business

Slorry Computer Services (Ltd) glasgow provide a range of computer products & IT support/repair services to business and domestic users based around Glasgow and the West of Scotland.

We are a small business with big advantages; these include our super fast repair turn around times, extremely competitive prices and the ability to provide customer service with the personal touch.

We specialise in wireless networking/wireless internet setup and virus removal. Should your PC be unlucky and come in contact with a nasty virus we can recover the data on the pc, even if it does not boot up correctly.

Book your PC in for a health check &ndash; If your PC is running slow and you can&rsquo;t bear it anymore give us a call. We repair the windows installation and repair any software problems to allow your pc to run at its full potential. (set price of £45 for a pc health check) There is a PC company is this WORLD, that charge 89.99 for this service, but they shall remain nameless (-:

Terms And Conditions

Why Slorryy???

By choosing Slorryy you can expect the following levels of service:

- \* Jargon avoided and complex issues kept simple.
- \* Free estimates based on an affordable pricing structure.
- \* Onsite service
- \* Or if more cost effective a collect & return service is available.
- \* Out of office hours or weekend support available.
- \* Any hardware supplied guaranteed for 1 year.
- \* Very fast turn around time on all repairs.
- \* We keep a supply of spare parts to ensure a fast service

As a compact business, we can provide a personal service and aim to allocate a named engineer to each client dealing with the case from first contact to completion to minimize problem assessment time.

We are able to service throughout all of The Glasgow, Paisley and Renfrewshire areas. Working hours are 8.30am until approx 8:30pm to accommodate domestic users.
