

Why Slorryy? Glasgow Computer services and Business IT Support

By choosing Slorryy you can expect the following levels of service:

- * Jargon avoided and complex issues kept simple.
- * Free estimates based on an affordable pricing structure.
- * Onsite service
- * Or if more cost effective a collect & return service is available.
- * Out of office hours or weekend support available.
- * Any hardware supplied guaranteed for 1 year.
- * Very fast turn around time on all repairs.
- * We keep a supply of spare parts to ensure a fast service

As a compact business, we can provide a personal service and aim to allocate a named engineer to each client dealing with the case from first contact to completion to minimize problem assessment time.

We are able to service throughout all of The Glasgow, Paisley and Renfrewshire areas. Working hours are 8.30am until approx 8:30pm to accommodate domestic users.
